AGE 16

WHAT SHE'S WEARING "A Paul Smith jacket over a Maria Bonita cardigan, Ksubi drainpipes, Marc by Marc boots, and a neon hat."

BAND AID "I love high-waisted skinny jeans. I'm wearing my favorite Balenciaga pair to the Led Zeppelin reunion concert in London tonight. They look like they've been spray-painted on and have a big rip up the side seam. I pinned it with a bunch of safety pins."

STICKY FINGERS "My sister Lizzy pretty much took the best of my father's hand-me-downs, but I do have a cool Moroccan coin belt of his. And our mom gave me all these great dresses, like the blue sequined Fabrice one she wore to Studio 54 in the early eighties."

LONE STAR STATE OF MIND "My mom is from Texas, and we always go shopping when we visit. I recently bought Wrangler motorcycle boots from this popular country-western store in Dallas called Sheplers. I wear them with shorts and tights and my Rick Owens leather jacket." □

“I love Vivienne Westwood. My whole family is obsessed.”
