

TREND: COWBOY BOOTS

A footwear staple that goes in and out of style, cowboy boots “are making a comeback—and they’re here to stay for a little while,” says Kaufman. “They’re kind of funky, cool alternative to UGGs. The newest way to wear it is with bare legs and a shorter skirt.” And there are a variety of styles, including the traditional pointy-toed look (as seen on Ashley Olsen) or the less decorative round-toed style (on Kate Bosworth).
